25X1A6a [REDACTED]  
25X1X7 [REDACTED] has found his assistance most valuable and has requested his duty there be extended two weeks. The extension has been approved.

Monthly Report, April 1957

5. Plans

a. To propose that project 37.1710 be used as the basis for a PR on Soviet economic capabilities in the guided missile field. This project would require very little additional research time to that already used for project 37.1710.

25X1A9a b. To recommend that [REDACTED] be included in an OSI orientation tour of US intelligence and industrial facilities related to guided missiles, scheduled for 1-2 weeks in June 1957.

6. Problems - Unchanged

7. Recommendations - None
